

Accreditations and Risk Assessments

Ufton History

We take our responsibility to keep everyone who visits us at Ufton safe very seriously. We work with Quadriga Health & Safety Ltd. who are our Health and Safety consultants. We are insured by Ecclesiastical Insurance Services. We have worked to achieve the highest standards of safety and quality learning experiences being accredited by Learning Outside the Classroom LOTC.

Accreditations

Nationally Accredited for Quality and Safety

Ufton Court holds the Learning Outside the Classroom (LOtC) Quality Badge, a nationally recognised accreditation that assures schools we meet the highest standards of educational value and safety for school trips. Awarded by the Council for Learning Outside the Classroom, this badge is a trusted mark of excellence. It confirms that Ufton provides:

- High-quality, curriculum-linked learning experiences
- Robust safeguarding, child protection and risk management
- Skilled, experienced educators who bring topics to life in immersive, memorable ways

Choosing a provider with the LOtC Quality Badge gives teachers confidence that their pupils will be safe, supported and engaged in meaningful, impactful learning.

Proud Winners of the Sandford Award

Ufton Court holds the Sandford Award, a nationally recognised mark of excellence in heritage learning. This prestigious award celebrates outstanding education programmes at historic sites, and we're proud that our immersive history experiences for schools have been recognised at the highest level.

5-Star Food Hygiene Rating

At Ufton Court, we're proud to hold a 5-star food hygiene rating, the highest awarded by the Food Standards Agency. It means our kitchens meet the top standards for cleanliness, food safety and legal compliance. From hearty breakfasts to warm evening meals, we serve food that keeps children happy, healthy and ready for learning and fun!

Risk Area	Risk Analysis
Site Orientation	An introductory site tour highlights relevant hazards to the guests along with the boundaries and any restricted areas. These hazards are constantly monitored while guests are on site. As a result of this control measure, the risk level is low in all areas mentioned.
Fire	We conform with Regulatory Reform Order (Fire Safety) and have Fire Risk Assessment in place. Each new intake has a walk-through explanation of the fire procedure on day of arrival.
Security	For residential groups, keys are provided to visiting adults and external doors locked at night with intruder alarms set. We have on-call staff living on site and groups are provided with a mobile phone enabling direct contact.
Identification	All adults wear identity pass, including visitors and contractors. Ufton staff are identifiable by an Identity pass, branded clothing, historical clothing and/or high visibility clothing.
Lighting	Adequate lighting of all walkways, both internally and externally, automatically come on after dark.
Slips & Trips	As an outdoor learning site, the grounds are uneven and often wet and slippery. Sturdy outdoor shoes are recommended and advise all visitors to be aware when moving around the site.
Utility Integrity	All utility installations are routinely inspected.
Traffic Hazards	We have an electronically controlled entrance gate including intercom, speed humps and signage. Safety briefing includes the crossing of the site road
Emergency Procedures	An emergency action plan (called the Critical Incident Plan) in place. All staff are trained and is rehearsed regularly.
Weather	Please check the weather in advance and prepare accordingly. Sturdy outdoor shoes are recommended. Footwear and clothing checked before activity. Outdoor conditions assessed with activities and locations adapted ensuring safety of all visitors and staff.
