

Please see below our menu options for our History Adventure Cabin residential visits from the Summer Term 2022.

Schools will be required to select a meat or vegetarian menu (please do not mix and match) at least two weeks prior to their visit. If no menu choice is selected we will default to the vegetarian menu.

All vegetarian, vegan and any other dietary requirements will be catered for and alternative options offered regardless of the menu selection.

If you only have a one night residential booked with us please disregard day one food options.
